## Our provenance

Wherever possible, we try to source all our produce locally. We are fortunate to be able to work with local suppliers to get the best from Scotland's natural larder and great food producers.

**The Egg Shed** from Dunkeld provides us with eggs used in our home baking and sandwich fillings.

Our meats in our ciabattas, sandwiches and pizzas come from **MacDonald Bros Butchers** and **Campbell's Prime Meat** and our salmon is locally sourced Scottish Salmon.

The delicious range of cakes we sell are made in our own kitchen using the finest ingredients and our Gluten Free range is supplied by **Lazy Days Foods** near Coatbridge. Jam for our scones are supplied by **Sarah Gray's Preserves** (Arbroath) and our chutneys by **Galloway Lodge Preserves** (Castle Douglas). These are also sold in our shop along with **Taylors** crisps.

All the fruit and veg used in our soups, side dressing and homebaking are provided by **Les Turriff** (Dundee).
